

SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS AND CONSUMER PROTECTION

General Purposes

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association").

The purpose of this Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under the "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

Coverage

The Guaranty Association, established pursuant to the Life and Health Guaranty Association Act of 1992 ("Act"), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code §31-5401 *et seq.*), provides insolvency protection for certain types of insurance policies and contracts.

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

Coverage Limitations

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
- With respect to any one life, regardless of the number of policies, contracts or certificates:
 - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 for long-term care insurance benefits;
 - \$300,000 for disability insurance benefits;
 - \$500,000 for basic hospital, medical, and surgical insurance, or major medical insurance benefits;
 - \$100,000 for coverage not defined as disability insurance, or basic hospital, medical and surgical insurance or major medical insurance or long-term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than \$300,000 in benefits with respect to any one life (\$500,000 in the event of basic hospital, medical and surgical insurance or major medical insurance).

Additionally, the Guaranty Association is not obligated to cover more than \$5,000,000 for multiple non-group policies of life insurance with one owner regardless of the number of policies owned.

Exclusions Examples

Policies or contract holders are not protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
- Their insurer was not authorized to do business in the District of Columbia; or
- Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Any plan or program of an employer or association that provides life, health or annuity benefits to its employees or members and is self-funded;
- Interest rate guarantees which exceed certain statutory limitations;
- Dividends, experience rating credits or fees for services in connection with a policy;
- Credits given in connection with the administration of a policy by a group contract holder; or
- Unallocated annuity contracts.

Pursuant to the Act (D.C. Official Code §31-5416), insurers are required to provide notice to policy and contract holders of the existence of the Guaranty Association and the amounts of coverage provided under the Act. Your insurer and agent are prohibited by law from using the existence of the Guaranty Association and the protection it provides to market insurance products. If you have obtained this document from an agent in connection with the purchase of a policy or contract, you should be aware that such delivery does not guarantee that the Guaranty Association would cover your policy or contract. Any determination of whether a policy or contract will be covered will be determined solely by the coverage provisions of the Act.

a. Noncontributory Insurance

Noncontributory insurance not subject to Evidence Of Insurability becomes effective on the date you become eligible.

b. Contributory Insurance

You must apply in writing for Contributory insurance and agree to pay premiums. Contributory insurance not subject to Evidence Of Insurability becomes effective on:

- i. The date you become eligible if you apply on or before that date; or
- ii. The date you apply if you apply within 31 days after you become eligible.

Late application: Evidence Of Insurability is required if you apply more than 31 days after you become eligible.

B. Takeover Provisions

1. If you were insured under the Prior Plan on the day before the effective date of your Employer's coverage under the Group Policy, your Eligibility Waiting Period is waived on the effective date of your Employer's coverage under the Group Policy.

(VAR EOI) LT.EF.OT.1

ACTIVE WORK PROVISIONS

A. Active Work Requirement

You must be capable of Active Work on the day before the scheduled effective date of your insurance or your insurance will not become effective as scheduled. If you are incapable of Active Work because of Physical Disease, Injury, Pregnancy or Mental Disorder on the day before the scheduled effective date of your insurance, your insurance will not become effective until the day after you complete one full day of Active Work as an eligible Member.

Active Work and Actively At Work mean performing with reasonable continuity the Material Duties of your Own Occupation at your Employer's usual place of business.

B. Changes In Insurance

This Active Work requirement also applies to any increase in your insurance.

LT.AW.OT.1

CONTINUITY OF COVERAGE

If your Disability is subject to the Preexisting Condition Exclusion, LTD Benefits will be payable if:

1. You were insured under the Prior Plan on the day before the effective date of your Employer's coverage under the Group Policy;
2. You became insured under the Group Policy when your insurance under the Prior Plan ceased;
3. You were continuously insured under the Group Policy from the effective date of your insurance under the Group Policy through the date you became Disabled from the Preexisting Condition; and

4. Benefits would have been payable under the terms of the Prior Plan if it had remained in force, taking into account the preexisting condition exclusion, if any, of the Prior Plan.

For such a Disability, the amount of your LTD Benefit will be the lesser of:

- a. The monthly benefit that would have been payable under the terms of the Prior Plan if it had remained in force; or
- b. The LTD Benefit payable under the terms of the Group Policy, but without application of the Preexisting Condition Exclusion.

Your LTD Benefits for such a Disability will end on the earlier of the following dates:

- a. The date benefits would have ended under the terms of the Prior Plan if it had remained in force; or
- b. The date LTD Benefits end under the terms of the Group Policy.

(PX) LT.CC.OT.1

WHEN YOUR INSURANCE ENDS

Your insurance ends automatically on the earliest of:

1. The date the last period ends for which a premium contribution was made for your insurance.
2. The date the Group Policy terminates.
3. The date your employment terminates.
4. The date you cease to be a Member. However, your insurance will be continued during the following periods when you are absent from Active Work, unless it ends under any of the above.
 - a. During the first 90 days of a temporary or indefinite administrative or involuntary leave of absence or sick leave, provided your Employer is paying you at least the same Predisability Earnings paid to you immediately before you ceased to be a Member. A period when you are absent from Active Work as part of a severance or other employment termination agreement is not a leave of absence, even if you are receiving the same Predisability Earnings.
 - b. During a leave of absence if continuation of your insurance under the Group Policy is required by a state-mandated family or medical leave act or law.
 - c. During any other temporary leave of absence approved by your Employer in advance and in writing and scheduled to last 30 days or less. A period of Disability is not a leave of absence.
 - d. During the Benefit Waiting Period.

LT.EN.OT.1

WAIVER OF PREMIUM

We will waive payment of premium for your insurance while LTD Benefits are payable.

LT.WP.OT.1

REINSTATEMENT OF INSURANCE

If your insurance ends, you may become insured again as a new Member. However, the following will apply:

1. If you cease to be a Member because of a covered Disability following the Benefit Waiting Period, your insurance will end; however, if you become a Member again immediately after LTD Benefits end, the Eligibility Waiting Period will be waived and, with respect to the condition(s) for which LTD

Benefits were payable, the Preexisting Condition Exclusion will be applied as if your insurance had remained in effect during that period of Disability.

2. If your insurance ends because you cease to be a Member for any reason other than a covered Disability, and if you become a Member again within 90 days, the Eligibility Waiting Period will be waived.
3. If your insurance ends because you fail to make a required premium contribution, you must provide Evidence Of Insurability to become insured again.
4. If your insurance ends because you are on a federal or state-mandated family or medical leave of absence, and you become a Member again immediately following the period allowed, your insurance will be reinstated pursuant to the federal or state-mandated family or medical leave act or law.
5. The Preexisting Conditions Exclusion will be applied as if insurance had remained in effect in the following instances:
 - a. If you become insured again within 90 days.
 - b. If required by federal or state-mandated family or medical leave act or law and you become insured again immediately following the period allowed under the family or medical leave act or law.
6. In no event will insurance be retroactive.

LT.RE.OT.2

DEFINITION OF DISABILITY

You are Disabled if you meet one of the following definitions during the period it applies:

- A. Own Occupation Definition Of Disability; or
- B. Partial Disability Definition.

A. Own Occupation Definition Of Disability

During the Benefit Waiting Period and the Own Occupation Period you are required to be Disabled only from your Own Occupation.

You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to perform with reasonable continuity the Material Duties of your Own Occupation.

Note: You are not Disabled merely because your right to perform your Own Occupation is restricted, including a restriction or loss of license.

During the Own Occupation Period you may work in another occupation while you meet the Own Occupation Definition Of Disability. However, unless otherwise stated, you will no longer be Disabled when your Work Earnings from another occupation meet or exceed 80% of your Indexed Predisability Earnings. Your Work Earnings may be Deductible Income. See **Return To Work Provisions** and **Deductible Income**.

Own Occupation means any employment, business, trade, profession, calling or vocation that involves Material Duties of the same general character as the occupation you are regularly performing for your Employer when Disability begins. In determining your Own Occupation, we are not limited to looking at the way you perform your job for your Employer, but we may also look at the way the occupation is generally performed in the national economy. If your Own Occupation involves the rendering of professional services and you are required to have a professional or occupational license in order to work, your Own Occupation is as broad as the scope of your license.

However, if your Own Occupation is attorney at law and you have practiced law for at least 3 years, during the Benefit Waiting Period and the Own Occupation Period, we will consider your Own

Occupation to be the one legal subject matter area or type of legal practice in which you specialize, provided you have earned at least 85% of your gross professional service fee income in that area or type of practice during the 24 months immediately before you become Disabled. If your Own Occupation is your own specialty of legal practice, you will no longer be Disabled when your Work Earnings from another occupation exceed 100% of your Indexed Predisability Earnings.

Trial attorney or trial practice will not be considered the legal subject matter area or type of legal practice in which you specialize, unless you personally appear and actively participate in legal proceedings on behalf of clients, at least 4 hours per day an average of at least 50 days per year during the 24 months immediately before you become Disabled. Time you spend preparing to actively participate in legal proceedings can be counted in meeting up to one-half of the hours-per-day and days-per-year requirement. Legal proceedings include civil or criminal trials, administrative rule making or contested case hearings, workers compensation hearings, arbitration and mediation hearings, and the taking or defending of depositions.

We may require billable hour or other time and earnings records as proof that you meet the requirements in this provision.

Material Duties means the essential tasks, functions and operations, and the skills, abilities, knowledge, training and experience, generally required by employers from those engaged in a particular occupation that cannot be reasonably modified or omitted.

B. Partial Disability Definition

During the Benefit Waiting Period and the Own Occupation Period, you are Partially Disabled when you work in your Own Occupation but, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder, you are unable to earn 80% or more of your Indexed Predisability Earnings, in that occupation.

Your Work Earnings may be Deductible Income. See **Return To Work Provisions** and **Deductible Income**.

Your Own Occupation Period are shown in the **Coverage Features**.

(OR DEF_OWN_LEG SPEC TO 65_NO 40_100% OWN SPEC) LT.DD.OT.1X

RETURN TO WORK PROVISIONS

A. Return To Work Incentive

You may serve your Benefit Waiting Period while working if you meet the Own Occupation Definition Of Disability.

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if LTD Benefits are payable on that date. The Return To Work Incentive changes 12 months after that date, as follows:

1. During the first 12 months, your Work Earnings will be Deductible Income as determined in a., b. and c:
 - a. Determine the amount of your LTD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
 - b. Determine 100% of your Indexed Predisability Earnings.
 - c. If a. is greater than b., the difference will be Deductible Income.
2. After those first 12 months, your LTD benefit will be determined by the greater of a. or b. below:
 - a. You will remain eligible for LTD Benefits while you are working if you meet one of the definitions of Disability. Your Work Earnings will not be deducted from your LTD Benefit.

Instead, they will be used to calculate your LTD Proportionate Benefit. It is determined as follows:

- i. Determine your LTD Benefit.
- ii. Multiply it by your Loss Of Earnings, and
- iii. Divide the result by your Indexed Predisability Earnings.

The LTD Proportionate Benefit is paid in lieu of your LTD Benefit.

Loss Of Earnings means your Indexed Predisability Earnings minus your Work Earnings.

- b. Your LTD benefit reduced by 50% of your Work Earnings.

B. Work Earnings Definition

Work Earnings means your gross monthly earnings from work you perform while Disabled.

Work Earnings includes earnings from your Employer, any other employer, or self-employment, and any sick pay, vacation pay, annual or personal leave pay or other salary continuation earned or accrued while working.

Earnings from work you perform will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than monthly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one.

In determining your Work Earnings we:

1. Will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis.
2. Will not be limited to the taxable income you report to the Internal Revenue Service.
3. May ignore expenses under section 179 of the IRC as a deduction from your gross earnings.
4. May ignore depreciation as a deduction from your gross earnings.
5. May adjust the financial information you give us in order to clearly reflect your Work Earnings.

If we determine that your earnings vary substantially from month to month, we may determine your Work Earnings by averaging your earnings over the most recent three-month period. During the Own Occupation Period you will no longer be Disabled when your average Work Earnings over the last three months exceed 80% of your Indexed Predisability Earnings.

C. Family Care Expenses Adjustment

If you must pay Family Care Expenses in order to work, we will reduce the amount of the Work Earnings used in determining your Deductible Income, subject to the following:

1. Your Work Earnings will be reduced by the first \$250 per Family Member of the monthly Family Care Expenses you pay, but not to exceed a total of \$500 for all Family Members.
2. The Work Earnings and the Family Care Expenses must be for the same period.
3. You must give us satisfactory proof of the Family Care Expenses you pay.
4. The Work Earnings reduction by Family Care Expenses will end 12 months after it begins.

Family Care Expenses means the amount you pay to a licensed care provider for the care of your Family which is necessary in order for you to work.

Family Member means:

1. Your Child; or

2. Your Spouse, parent, grandparent, sibling, or other close family member residing in your home who is:
 - a. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
 - b. Chiefly dependent upon you for support and maintenance.

Child means:

1. Your child residing in your home (including your stepchild, the child of your Spouse and an adopted child), from live birth through age 11; or
2. Your child, age 12 or older, residing in your home (including your stepchild, the child of your Spouse and an adopted child) who is:
 - a. Continuously incapable of self-sustaining employment because of mental retardation or physical handicap; and
 - b. Chiefly dependent upon you for support and maintenance.

Before the end of this extension period we will send you: (a) a written decision on your claim; or (b) a notice that we are extending the period to decide your claim for an additional 30 days. If an extension is due to your failure to provide information necessary to decide the claim, the extended time period for deciding your claim will not begin until you provide the information or otherwise respond.

If we extend the period to decide your claim, we will notify you of the following: (a) the reasons for the extension; (b) when we expect to decide your claim; (c) an explanation of the standards on which entitlement to benefits is based; (d) the unresolved issues preventing a decision; and (e) any additional information we need to resolve those issues.

If we request additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, we may decide your claim based on the information we have received.

If we deny any part of your claim, you will receive a written notice of denial containing:

- a. The reasons for our decision.
- b. Reference to the parts of the Group Policy on which our decision is based.
- c. Reference to any internal rule or guideline relied upon in making our decision.
- d. A description of any additional information needed to support your claim.
- e. Information concerning your right to a review of our decision.
- f. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA if your claim is denied on review.

H. Review Procedure

If all or part of a claim is denied, you may request a review. You must request a review in writing within 180 days after receiving notice of the denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your request for review. There will be no charge for such copies. You may request the names of medical or vocational experts who provided advice to us about your claim.

The person conducting the review will be someone other than the person who denied the claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based on a medical judgment, the person conducting the review will consult with a qualified health care professional. This health care professional will be

someone other than the person who made the original medical judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request. Within 45 days after we receive your request for review we will send you: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days. If the extension is due to your failure to provide information necessary to decide the claim on review, the extended time period for review of your claim will not begin until you provide the information or otherwise respond.

If we extend the review period, we will notify you of the following: (a) the reasons for the extension; (b) when we expect to decide your claim on review; and (c) any additional information we need to decide your claim.

If we request additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, we may conclude our review of your claim based on the information we have received.

If we deny any part of your claim on review, you will receive a written notice of denial containing:

- a. The reasons for our decision.
- b. Reference to the parts of the Group Policy on which our decision is based.
- c. Reference to any internal rule or guideline relied upon in making our decision.
- d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.
- e. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

The Group Policy does not provide voluntary alternative dispute resolution options. However, you may contact your local U.S. Department of Labor Office and your State insurance regulatory agency for assistance.

I. Assignment

The rights and benefits under the Group Policy are not assignable.

(REV PRIV WRDG) LT.CL.OT.2

ALLOCATION OF AUTHORITY

Except for those functions which the Group Policy specifically reserves to the Policyholder or Employer, we have full and exclusive authority to control and manage the Group Policy, to administer claims, and to interpret the Group Policy and resolve all questions arising in the administration, interpretation, and application of the Group Policy.

Our authority includes, but is not limited to:

1. The right to resolve all matters when a review has been requested;
2. The right to establish and enforce rules and procedures for the administration of the Group Policy and any claim under it;
3. The right to determine:
 - a. Eligibility for insurance;
 - b. Entitlement to benefits;
 - c. The amount of benefits payable; and

- d. The sufficiency and the amount of information we may reasonably require to determine a., b., or c., above.

Subject to the review procedures of the Group Policy, any decision we make in the exercise of our authority is conclusive and binding.

LT.AL.OT.1

TIME LIMITS ON LEGAL ACTIONS

No action at law or in equity may be brought until 60 days after you have given us Proof Of Loss. No such action may be brought more than three years after the earlier of:

1. The date we receive Proof Of Loss; and
2. The time within which Proof Of Loss is required to be given.

LT.TL.OT.1

INCONTESTABILITY PROVISIONS

A. Incontestability Of Insurance

Any statement made to obtain insurance or to increase insurance is a representation and not a warranty.

No misrepresentation will be used to reduce or deny a claim or contest the validity of insurance unless:

1. The insurance would not have been approved if we had known the truth; and
2. We have given you or any other person claiming benefits a copy of the signed written instrument which contains the misrepresentation.

After insurance has been in effect for two years during the lifetime of the insured, we will not use a misrepresentation to reduce or deny the claim, unless it was a fraudulent misrepresentation.

B. Incontestability Of The Group Policy

Any statement made by the Policyholder or Employer to obtain the Group Policy is a representation and not a warranty.

No misrepresentation by the Policyholder or your Employer will be used to deny a claim or to deny the validity of the Group Policy unless:

1. The Group Policy would not have been issued if we had known the truth; and
2. We have given the Policyholder or Employer a copy of a written instrument signed by the Policyholder or Employer which contains the misrepresentation.

The validity of the Group Policy will not be contested after it has been in force for two years, except for nonpayment of premiums or fraudulent misrepresentations.

LT.IN.OT.1

CLERICAL ERROR, AGENCY, AND MISSTATEMENT

A. Clerical Error

Clerical error by the Policyholder, your Employer, or their respective employees or representatives will not:

1. Cause a person to become insured.

2. Invalidate insurance under the Group Policy otherwise validly in force.
3. Continue insurance under the Group Policy otherwise validly terminated.

B. Agency

The Policyholder and your Employer act on their own behalf as your agent, and not as our agent. The Policyholder and your Employer have no authority to alter, expand or extend our liability or to waive, modify or compromise any defense or right we may have under the Group Policy.

C. Misstatement Of Age

If a person's age has been misstated, we will make an equitable adjustment of premiums, benefits, or both. The adjustment will be based on:

1. The amount of insurance based on the correct age; and
2. The difference between the premiums paid and the premiums which would have been paid if the age had been correctly stated.

LT.CE.OT.1

TERMINATION OR AMENDMENT OF THE GROUP POLICY

The Group Policy may be terminated by us or the Policyholder according to its terms. It will terminate automatically for nonpayment of premium. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any class or group of Members, at any time by giving us written notice.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. If the terms of the certificate differ from the Group Policy, the terms stated in the Group Policy will govern. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.

Any such change or amendment of the Group Policy may apply to current or future Members or to any separate classes or groups of Members.

ERISA INFORMATION AND NOTICE OF RIGHTS

The following information and notice of rights and protections is furnished by the Plan Administrator as required by the Employee Retirement Income Security Act of 1974 (ERISA)

A. General Plan Information

The General Plan Information required by ERISA is shown in the **Coverage Features**.

B. Statement Of Your Rights Under ERISA

1. Right To Examine Plan Documents

You have the right to examine all Plan documents, including any insurance contracts or collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits

Security Administration. These documents may be examined free of charge at the Plan Administrator's office.

2. Right To Obtain Copies Of Plan Documents

You have the right to obtain copies of all Plan documents, including any insurance contracts or collective bargaining agreements, a copy of the latest annual report (Form 5500 Series), and updated summary plan description upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for these copies.

3. Right To Receive A Copy Of Annual Report

The Plan Administrator must give you a copy of the Plan's summary annual financial report, if the Plan was required to file an annual report. There will be no charge for the report.

4. Right To Review Of Denied Claims

If your claim for a Plan benefit is denied or ignored, in whole or in part, you have the right: a) to know why this was done; b) to obtain copies of documents relating to the decision, without charge; and c) to have your claim reviewed and reconsidered, all within certain time schedules.

C. Obligations Of Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of all Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan benefit or exercising your rights under ERISA.

D. Enforcing ERISA Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

E. Additional Procedures For Claims Based on Disability Determinations Filed on or after April 1, 2018

If we deny any part of your claim for a benefit that relies on a disability determination, you will receive a written notice of denial containing a copy of any internal rule or guideline relied upon in making the decision, or a statement that no such rules or guidelines exist. The notice of denial will also include information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.

If all or part of a claim is denied, you may request a review. Before we issue a decision on review for a benefit that relies on a disability decision, we will provide you, free of charge, with any new evidence or rationale considered, relied upon, or generated by us in connection with the claim, and we will provide such new evidence or rationale sufficiently in advance of the decision deadline date to give you a reasonable opportunity to respond prior to that date.

If our review results in a denial of any part of your claim for a benefit that relies on a disability decision, your written notice of denial will contain a copy of any internal rule or guideline relied upon

in making the decision, or a statement that no such rules or guidelines exist. The notice of denial will also include information concerning your right to bring a civil action for benefits under section 502(a) of ERISA and a description of any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim.

F. Plan And ERISA Questions

If you have any questions about the Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210.
