

# Rx Fundamentals Drug List

Effective 1/1/2024

## Save money on your medications

The Rx Fundamentals Program helps you better manage your health—while saving money. The Rx Fundamentals Drug List represents brand products in **CAPITAL LETTERS** and generic products in lower case **italics**. Where a generic is available, it is listed by the generic name. If no generic is available, then the brand name appears. This list may not be all inclusive and does not guarantee coverage. The coverage of prescription drugs and supplies along with the utilization management listed on this document is dependent on your benefit plan and is subject to change. For the most accurate information on your drug cost and pricing, please log in to My Account ([www.carefirst.com/myaccount](http://www.carefirst.com/myaccount)) and click on Drug & Pharmacy Resources under the Coverage tab or call CareFirst Pharmacy Services at 800-241-3371.
