

A Membership You Can Count On

Do you ever find yourself:

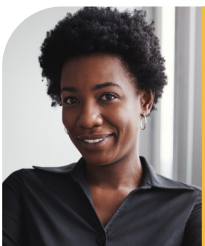

- ✓ Spending time most days supporting an aging loved one
- ✓ Juggling other responsibilities like work, school, or young children
- ✓ Needing reassurance and support for an aging loved one who is far away
- ✓ Uncertain about big decisions to make for your aging loved one
- ✓ Spending hours figuring out medical bills for your loved one
- ✓ Unsure which Medicare plan is right for your aging loved one

"My Care Guide helped us navigate the more than 60 Medicare plans available to find the right one for us. She saved us a lot of time and money."

"My CareGuide saved me thousands of dollars by finding a power wheelchair that was covered by my father's insurance."

"I didn't have to take leave from work because of the amazing guidance and support from my Care Guide. I am so grateful."

"My aunt broke her hip and was in the hospital. My uncle was at home alone. My Care Guide helped us arrange everything so they were both safe and had everything they needed."

"My Care helped me find the right home health agency for my parents. She saved me time and headache and gave me peace of mind."

"Being far away from my mother is hard on me. Knowing that my Care Guide has my back is priceless."

Available to you at no cost as a benefit from your employer.

Homethrive For You. Homethrive For Your Loved One.

Balancing career and family can be hard. But it doesn't have to be.

Homethrive Family Support is a membership benefit dedicated to supporting you and your aging loved ones so you can relax as they *live happier, healthier, and longer at home*.

With Homethrive, you get access to a dedicated elder care coach and resources to help you navigate everything aging – from simple questions to crisis situations.

**Our experts
spend 200 hours
per month researching
the best services,
equipment, products,
and resources so you
don't have to.**

Homethrive Membership Includes:

- ✓ **Guidance and support** from an expert to help when you have nowhere else to turn
- ✓ **Peace of mind** knowing your loved one is safer and more connected with adaptive technology and virtual social events
- ✓ **10 - 15 hours saved per week** having someone else to help research and navigate insurance coverage, equipment, safety issues, products, transportation options, and more
- ✓ **Confidence** in knowing the resources you have access to are accurate, up to date, and vetted
- ✓ **\$700 - \$1000* saved per year** through provided technology, discounts, and in-depth service provider vetting
- ✓ **365 less stressed** days per year

*Savings are an estimate; can vary depending on the amount of support needed and provided.
